

A.PART - Festival for Contemporary Dance Students and Alumni at *ada* Studio
May 9-17, 2020

OPEN CALL

Dear all,
Hello!

This is an open call for the **alumni module** in our **A.PART-Festival** at *ada* Studio that assembles the former “S.o.S. - Students on Stage”-Festival and the “Alumni.Tanz.Berlin”-Festival under one umbrella.

The alumni module of A.PART creates a platform for alumni of the Berlin schools for contemporary dance (BDI, Dance Intensive Program/Tanzfabrik Berlin, DANCEWORKS berlin, ETAGE, HZT, Tanzakademie balance 1, etc) and aims at the presentation of works created by alumni as well as at the support of the creative process. We are looking for maximum 6 proposals for the creation of a work that will be presented in the A.PART-Festival in the time frame **May 9-17, 2020**.

Info:

- You must be graduated from a Berlin dance school not earlier than summer 2018.
- The evening in which you will present your work will be a shared evening.
- We explicitly ask not only for stage works but also for site specific performances, performance installations etc. that could take place in the surrounding area close to *ada*Studio (Uferstudios yard, kitchen etc.)
- You must be willing to attend two workshops (4 hrs each) between March and May in which all participants of the festival will get to know each other, share and discuss their ideas. You must also be willing to be paired up with another participant in order to accompany each other's creation processes more closely.
- *ada* studio offers:
 - a production fee, between 800,-€ and 1.500,-€, depending on the proposed work
 - dramaturgical advice/artistic dialogue and support in the production of the work
