

Open call for NAH DRAN extended, ada studio

Dear all,
Hello!

This is an open call for the platform of **NAH DRAN extended**, at **ada studio**. We are looking for six works in total, to be presented in two events of **NAH DRAN extended**, the first on the 21st/22nd of April, and the second on the 9th/10th of June 2018. We will create an evening with a common theme, which all three works will share through different perspectives. At the moment we have not yet decided on the thematic focus, and are happy to keep it open and see what resonates from the various proposals we will receive. When looking through the proposals we will also decide on the common theme.

1. A short Bio (up to 300 words)
2. A short description of the proposed work (up to 300 words)
3. Links to your website/previous works.

*The proposal can be in English or German.
